

ANTLER CREEK GOLF COURSE

Challenging. Affordable. And right in your neighborhood.

Welcome home to El Paso County's finest daily-fee golf course. Stroll over for outstanding (and affordable) golf with six sets of tee boxes per hole, designed to provide challenge and enjoyment for every caliber of golfer. This Rick Phelps-designed course has wide fairways that artistically wind through the Meridian Ranch community. The player-friendly design blends Colorado terrain and native grasses to create a "prairie dunes-style" course unique to the Pikes Peak region. The course measures over 8,000 yards from the tips, making it Colorado's longest golf course. It features three lakes and 58 bunkers, contributing to its selection by Colorado Avid Golfer as a Best New Course.

Grab everything you need for a successful round at Antler Creek's outstanding golf shop. And hone your skills at the Antler Creek practice facility, with its full-grass driving range tee line, practice bunker, chipping green and putting green. Regular golfers may opt for one of two A-List passes, Prime and Non-Prime. The Prime Pass is good for unlimited golf seven days a week, anytime. Also included is a shared cart, one range token per day, 25 percent discount on logo merchandise and participation in A-List tournaments.
